### Tuesday

To minimize the risk of spreading infectious diseases, all people on campus five years old and above will be required to wear masks while inside.

### Take II

Facilitators: Heather Friesenhahn, Chelsea Green, Janeen Guynn, Shannon Lawrence, Krista Nile, Kristy Cain-Rudel

Target Ages: 5-17

Cost: \$10/learner

Class Description: The Take II program will meet on campus from 9:40-2:40 on Tuesdays. The program includes two morning sessions, lunch, Real Recess, and Teen/Tween Meetup. Each week when you arrive you will sign up for your programs for the day. Classes will include CSI, It's a Small World, Acrylic painting, Soccer/Volleyball, Junkbox Wars, Lego builders, Board games, and the Imagination Room.

NOTES: Some of the classes will be messy and others will be outdoors. Dress for what you want to do!

## Take II + Programs

These classes are held during Take II. You can sign up for them in addition to the Take II program. When you sign up for these classes, you are signing up to attend them for the full 8 weeks. These classes will be held from 12:40-1:30. The additional charge is specifically for the additional materials for the class.

### + **Beginning Crochet**

Facilitator: DeeDee Putzel

Target Ages: All ages welcome (including adults), does require fine motor skills

Max Class Size: 10

Cost: \$15/learner

Class Description: Join us as we learn basic crocheting skills. Participants will begin by working on a scarf. If you finish that and time allows, you will be able to begin a hat.

NOTES: It is important that you respond to emails in a timely manner.

### + **World of Dance**

Facilitator: Kendra Putzel

Target Ages: 5-17

Max Class Size: 12

Cost: \$3/learner

Class Description: Each week in World of Dance we will take a trip around the world to learn about music and dance from different countries! We will learn about new places and learn how they dance and what type of music they listen to. Class will end each week with free dance time.

---

## WEDNESDAY ONLINE

Online classes will be offered on Zoom. They will each last 30 minutes and just like in person classes will only be available at the time they are being offered.

### **Philosophy with Kids**

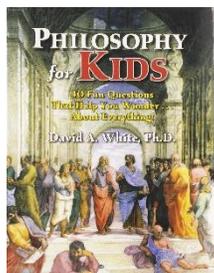

Facilitator: DeeDee Putzel

Target Ages: 5-17

Min Class Size: 12

Max Class Size: 20

Cost: \$3/learner

Class Description: This class is based on the book Philosophy for Kids: 40 Fun Questions That Help You Wonder About Everything! Class time will include animated discussions of questions that concern kids. They will learn how to become philosophers as they use their knowledge and critical thinking skills to ponder each topic.

### **Crockpot Meals**

Facilitator: Janeen Guynn

Target Ages: 5-17

Min Class Size: 6 families

Max Class Size: 12 families

Cost: \$3/family

Class Description: Join me in class as we assemble tonight's dinner! We will put together a variety of one-pot meals during class that you can set in the crock pot and enjoy with your whole family at the end of the day. Bacon Cheese Burger and Mexican Chicken Soup are examples of some of the meals we will be making. You get to improve your cooking skills, the chef in your family gets a night off, and your family gets a tasty meal!

NOTES: We will be using the stove/oven and knives, so parent assistance is recommended.

---

## WEDNESDAY - OUTDOOR CLASSES

Outdoor classes will be held at Hogan Park/Sibley Nature Center and will all occur simultaneously. Because they will be outside, it is important to make sure learners have the proper clothing and protective equipment so they can have a good time. Masks will be optional outside.

### Move it!

Facilitator: Shannon Lawrence

Target Ages: 5-17

Max Class Size: 40

Cost: \$5/learner

Class Description: Come join us for exciting outdoor games and get your body moving! Each week we'll play different outdoor games like the kinds you might play at summer camps or PE.

### Outdoorsman (just the name-not gender specific)

Facilitator: Janeen Guynn

Target Ages: 5-17

Max Class Size: 12

Cost: \$5/learner

Class Description: Learn basic outdoor camping and survival skills. Each week we will learn about the priorities of wilderness survival and how to meet them, from signaling for help to building shelters and starting fires. This class will draw heavily from the BSA's Wilderness Survival Merit Badge and Trek on Safely programs.

NOTES: We will be building and working with fires and ropes. Following instructions will be required. Less mature learners might require parent assistance.

### Intro to Primitive Skills

Facilitator: Anthony Schafrinna

Target Ages: 8-17

Max Class Size: 10

Cost: \$5/learner

Class Description: This class will be covering introduction to primitive living/survival skills. Primarily cordage, traps/snares, friction fire and field expedient blades. We will be dealing with fire, sharp objects and traps capable of killing small game. I do not advocate killing for no reason or trophy. These skills are meant for emergency food procurement. As the parent you need to be aware of this and decide if your learner is mature enough to handle these skills and knowledge.

NOTES: **We will be working with fire, traps, sharp objects, and possibly knives. Facilitator reserves to right to determine if a learner is mature enough for class.** Class might include a walk though 'Sibley back country'

### Teen/Tween Fun Time

Facilitator: DeeDee Putzel

Target Ages: 12-17

Min Class Size: \$5/learner

Max Class Size: 40

Cost: \$5

Class Description: This is a great opportunity for the tweens and teens in our group to spend time together hanging out. This term will be less structured than last term to give the teens/tweens more time to do what they want.

## **Open Skies & Fresh Air**

Hosted by: Leadership team

Target Ages: All ages welcome!

Cost: Free

Class Description: This is like a weekly park meetup. We'll meet by the playground at Hogan Park for socializing and play.
