Chika Chika Boom Boom

Facilitator: Melynda Heller

Target Age: 3-5

Class Size: 12

Cost: \$8

Each week we will learn about a different letter in the alphabet through hands on, sensory based activities. This class is meant to be a fun introduction to the alphabet and phonemic awareness, not a mastery of those skills.

Weather Wonders

Facilitator: Shannon Lawrence

Target Age: 7-11

Class Size: 10

Cost: \$12

This is a class for kids who are curious about weather or interested in learning about how weather happens. We will read books, watch videos, make weather instruments and conduct a few experiments.

Notes: We will be doing a small amount of writing in weather journals.

Make It

Facilitator: Amanda Schaffrina

Target Age: 5-18

Class Size: 8

Cost: \$20

Each week we will make a different project, from chique' pom pom key chains, to a fun fishing game, to survival bracelets. Participants will walk away with a usable item each week. The item of the day will be listed during morning sign up so you can decide if you want to sign up for that day's session.

Gears and Motion

Facilitator: Stephanie Shreffler

Target Age: 12+

Class Size: 10

Cost: \$14

In this STEM based class we will be learning about gears and motion and how things move through various hands on projects.

Notes: we will be using a hot glue gun and cutting tools

Matilda: Book Club

Facilitator: Jennah Graham

Target Age: 6-9

Class Size: 15

Cost: \$8

In Matilda: Book Club, learners will listen to YouTube videos of me Reading Matilda, by Roald Dahl. Then in class we will discuss our reactions and a weekly project related to the reading.

RAK (Random Acts of Kindness)

Facilitator: Molly Frieri

Target Age: 7+

Class Size: 15

Cost: \$8

RAK! (Random Acts of Kindness) Join me in a new project activity each week as we do good deeds and spread joy and kindness to others.

"A good deed is never lost; he who sows courtesy reaps friendship, and he who plants kindness gathers love". - St. Basil

Parent Book Club

Facilitator: Melynda Heller

Wizard School

Facilitator: DeeDee Putzel

Target Age: 8-12

Class Size: 12

Cost: \$20

Welcome to Wizard School! We will read and discuss the Harry Potter books, watch the movies, and study courses such as Alchemy, Astronomy, Charms, Enchantments, Herbology, Incantations, Magical Creatures, Muggle Studies, Potions, and Spells. These courses are the subjects commonly referred to as: language arts, science, history, art, and music. We will do hands-on projects, play games, have lively discussions, do experiments, and create things using our imaginations and the Wizarding World as inspiration.

Shake, Rattle and Roll!

Facilitator: Chelsea Green

Target Age: 3-5

Class Size: 20

Cost: \$12

This class is sure to be a good time! We will learn while we play games, dance, and sing. You will also get a chance to experiment with and create instruments. Get ready to shake, rattle, and roll!

Acrylic Painting

Facilitator: Kristy Cain

Target Age: 11:00 am session ages 8-11; 1:00 pm session ages 12-18

Class Size: 8

Cost: \$20

This is a step by step instruction to paint using acrylics. Our goal will be to complete multiple acrylic paintings over the course. Starting off with more simple styles and working our way to more complicated works.

Notes: Acrylics do not come out of fabrics. Please send a smock or wear clothing that doesn't matter if it gets ruined. Recommend learners be able to follow instruction and sit still as painting does require some patience.

Cellular Biology

Facilitator: Janeen Guynn

Target Age: 5-18

Class Size: 10

Cost: \$20

Introduction into cellular mechanisms by way of hands on experiments.

Notes: Using messy ingredients. High potential for mess. Allergies to foods such as eggs, food coloring, and oils could be a concern.

Characters with Character

Facilitator: DeeDee Putzel

Target Age: 10-17

Class Size: 20

Cost: \$8

This class will explore characters throughout history and discuss why they may be considered remarkable or notable. The purpose of the class is to explore different perspectives and discover our own. The learners will have the opportunity to research the character before class so we will be able to share what we've found with others.

Look on the Bright Side

Facilitator: Jude Hunt

Target Age: 10+

Class Size: 10

Cost: \$0

We will be looking at the world's most popular conspiracy theories; exploring them and finding the truth. Also watching a YouTuber called The Bright Side, who does brain teasers and hard riddles.

Complete Babysitter's Course

Facilitator: Meagan Duncan and Sarah Kate Epperson

Target Age: 11-18

Class Size: 10

Cost: \$30

The Complete Babysitting Course is designed by a Pediatric Communication Specialist and a Waldorf Early Childhood Educator. The class is open to ALL teens in the community. Our class designed to give our teens knowledge in the hard skills and soft skills of babysitting children. The hard skills include safety protocols such as CPR and First Aid. The soft skills include an introduction into early childhood development, conflict and behavior management, developing an activity bag, etc. We would like to include a class on business management and budgeting. We will conclude the class with a certificate of completion.

STEM

Facilitator: Janeen Guynn

Target Age: 5-18

Class Size: 12

Cost: \$20

Every week in the STEM room there will be a facilitator led project. Facilitator led projects will focus on simple and complex machines and electricity.

Landforms

Facilitator: Janeen Guynn

Target Age: 5-8

Class Size: 20

Cost: \$8

This class will be an in depth exploration of land forms. We'll investigate everything from hills and mountains to mesas and volcanoes. We'll learn how to read topographic maps, what the land forms are and how they are created, and we'll create a land form flip book. Come take PEAK at this class. I promise it won't be PLAIN!

Notes: 1) We will be using various substances, like kinetic sand and salt dough, so texture could be an issue. 2) The last lesson will be edible.

Open Skies & Fresh Air!

Facilitator: self directed, open play, social meetups for all ages

Target Age: whole family

Cost: \$0

An outdoor option for those interested in meeting in person at our home campus. Since our regular classes will be online, this provides a weekly opportunity to meet in person. Activities are virtually unlimited, but expect plenty of kid-driven unstructured play with access to our play structures, balls for organized or unorganized play, Teen and Tween Cohort meetup time, board games, sidewalk chalk, pop up workshops/activities hosted by members for learners and/or adults. Note that we fully anticipate being able to meet in this manner, but the class may be cancelled due to circumstances beyond our control.
